

Canadair CL-415 modernization for Croatian Air Force:

Volume:

- 6 x A/Cs currently operated

Requirement:

- To meet the latest EASA mandates

Solution / Reference :

- Modernization of Croatian CL-415 for Croatian Air Force (2020+, in close cooperation with local MRO ZTC / ATC Company from Velika Gorica) in the following scope:

- Exchange of old Honeywell Primus II RCZ units for new ones (8,33kHz + ADS-B out capable).
- Exchange of old Honeywell Primus II RMU (Radio Management Unit) units for new ones.
- Replacement of old GARMIN GPS165 for a new generation one, GARMIN GPS175.

RCZ unit

RMU unit
