

# EC-120 modernization for Lithuanian Border Guard:

The project was contracted directly between CLS and LBG (Lithuanian Border Guard), duration 2018-2019:

- 1 x FLIR WESCAM MX-10
- 1 x Digital Moving Map RN7
- 1 x Cobham audio panel
- 1 x Video Recorder
- 2 x NVIS compatible Video Displays (10" and 17")

The project was done for 2 x EC120 helicopters, a complete upgrade for first one, modernization provisions / preparation for the second helicopter.
